INTRODUCTION

National Healthcare Provider Registry (NHPR) is a comprehensive repository of registered and verified Healthcare Professionals including doctors (Modern Medicine, Dentistry, Ayurveda, Siddha, Sowa-rigpa, Homoeopathy and Unani), nurses (Registered Auxiliary Nurse Midwife (RANM), Registered Nurse and Registered Midwife (RNRM), Registered Lady Health Visitor and Registered Nurse), and the Facilities (hospitals, clinics, diagnostic laboratories and imaging centers, pharmacies, blood banks, etc.) of both government and private sector across India. The Ayushman Bharat Digital Mission (ABDM) empowers the NHPR to onboard the healthcare professionals and the facilities onto India's digital health ecosystem.

Overview

Healthcare professionals and Facilities who enrolls into the NHPR are digitally connected to a host of interoperable, digitally enabled services for dispensation of healthcare activities and service delivery.

Caution up and Warnings

Processes have been designed to ensure that only verified healthcare professionals and facilities are onboarded after approval from respective authorized bodies.

Set- Consideration

National Healthcare Provider Registry (NHPR) follows a minimalistic approach to data collection and only seeks information which is necessary to verify the identity and credentials of a healthcare professional. This includes demographic, contact, registration, academic, and place of work details.

User access Consideration

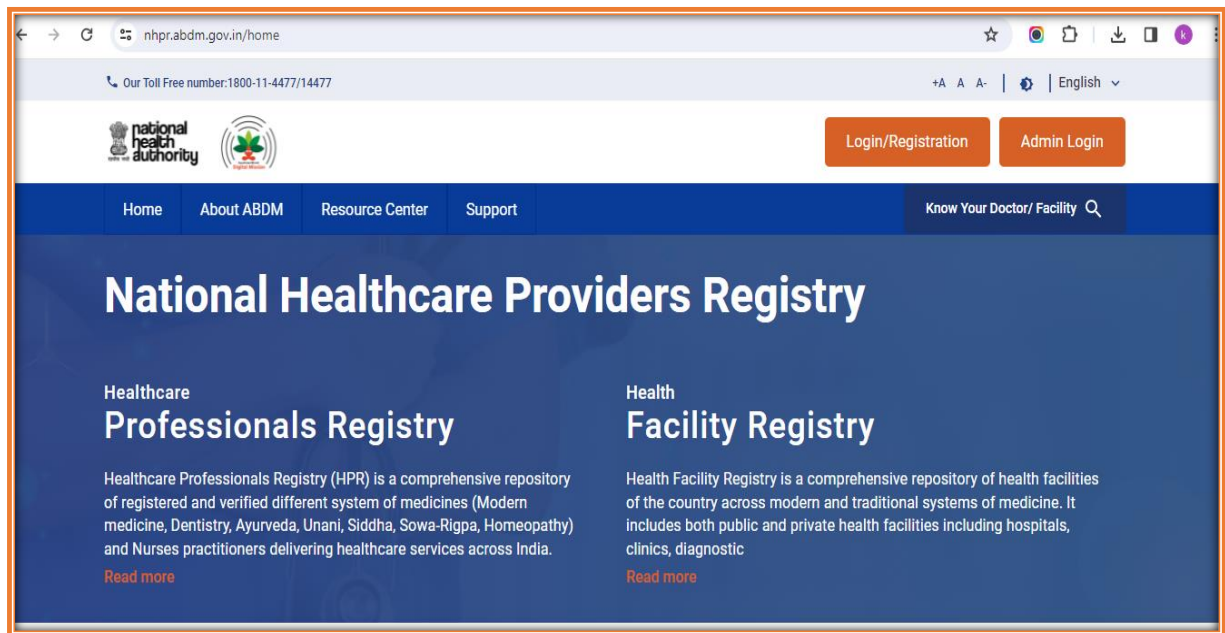

All starred fields are mandatory. They allow us to cross-check the information provided. It is advisable to include the academic qualifications which have been registered with the respective council/governing body.

2. REGISTRATION PROCESS

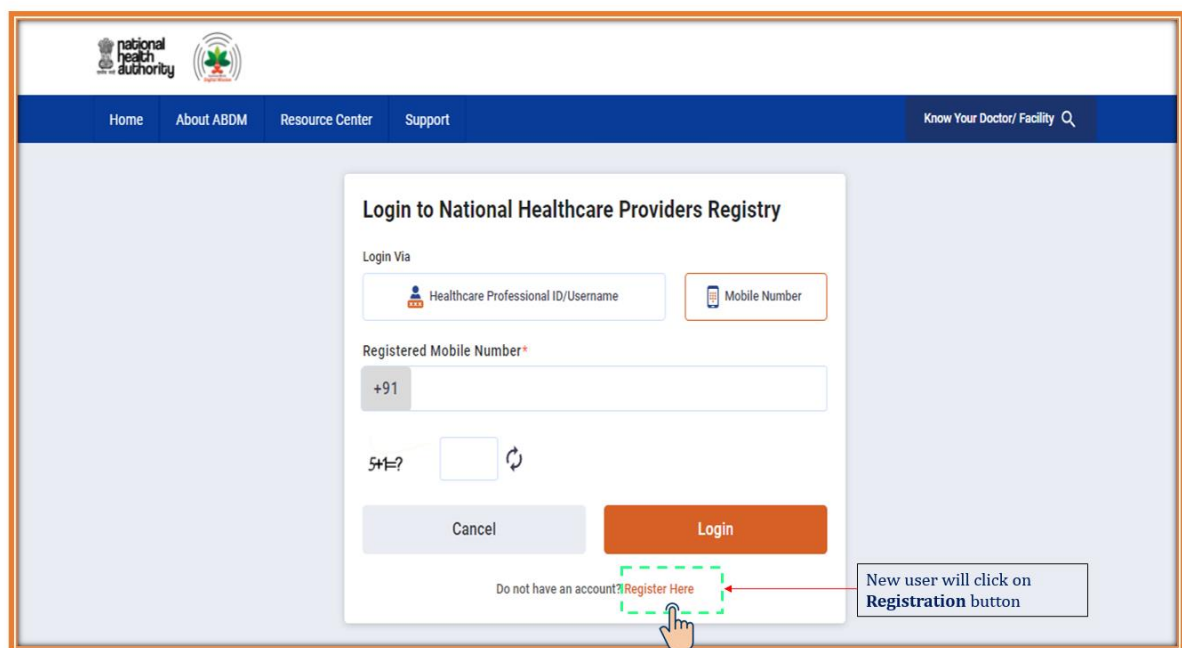

a) As a Healthcare Professional

Step 1: Go to the portal <https://nhpr.abdm.gov.in/home> to register in the National Healthcare Providers Registry Portal.

Step 2: Click on the 'Login/ Registration' button on the right upper side of the screen

Step 3: Click on the 'Register Here' option available at the bottom of the page.

Step 4: Then the next page appears. There are the following two options to generate the Healthcare Professional ID –

- Via Aadhaar
- Via Driving License

Here we will go step by step on how to generate the Healthcare Professional ID via Aadhaar-

Step 5: The user has to click on the '**Aadhaar**' option to generate the Healthcare Professional ID.

The user will select **Aadhaar** as an option to create HPID

Create your Healthcare Professional ID
The Healthcare Professional ID will connect you to the India's Digital Health ecosystem

Generate Healthcare Professional ID via

☐ Aadhaar ☐ Driving License

Enter your Aadhaar Number/Virtual ID *

ENG हिंदी

I, hereby declare that I am voluntarily sharing my Aadhaar Number / Virtual ID and demographic information issued by UIDAI, with National Health Authority (NHA) for the sole purpose of creation of Healthcare Professional ID. I understand that my Healthcare Professional ID can be used and shared for purposes as may be notified by Ayushman Bharat

☐ I agree

3+4=?

Reset Submit

Already have an account? [Login Here](#)

Step 6: After entering the Aadhaar number, the user has to click on '**I agree**' option and provide his consent. Then the captcha has to be entered. After giving the consent and entering the captcha, the user has to click on the '**Submit**' button.

Create your Healthcare Professional ID
The Healthcare Professional ID will connect you to the India's Digital Health ecosystem

Generate Healthcare Professional ID via

☒ Aadhaar ☐ Driving License

Enter your Aadhaar Number/Virtual ID*

I, hereby declare that I am voluntarily sharing my Aadhaar Number / Virtual ID and demographic information issued by UIDAI, with National Health Authority (NHA) for the sole purpose of creation of Healthcare Professional ID. I understand that my Healthcare Professional ID can be used and shared for purposes as may be notified by Ayushman Bharat

☒ I agree

3+4=?

Already have an account? [Login Here](#)

Step 7: After clicking on the 'Submit' button, the user will get an OTP on the mobile number linked with the Aadhaar.

Then the user will enter the OTP and again click on the '**Submit**' button for proceeding.

Generate Healthcare Professional ID via

☒ Aadhaar ☐ Driving License

Enter your Aadhaar Number/Virtual ID*

We have sent an OTP to the Aadhaar linked mobile number *****2062

9 7 8 7 7 1

Didn't receive OTP? [Resend OTP](#) 68 seconds remaining

The details from the Aadhaar get captured and the profile of the user appears to proceed further for entering the details to register.

Step 8: The registration form appears where the user will enter the following details-

- Mobile number
- Email ID

Then the user will click on the '**Verify**' option to verify both- the mobile number and Email ID. Email id verification is optional.

The user would enter the mobile number and email address

Mobile number verified with Aadhaar

Your number is verified, as entered mobile number matches with Aadhaar registered mobile number.

b) If the mobile number entered is different from verified/registered in Aadhaar, then enter the OTP sent to the entered mobile number.

The screenshot shows the National Health Authority registration form. A modal titled "Add or update mobile number" is displayed over the form. The modal contains the text "Please enter OTP sent on your mobile number 9015798727" and a six-digit OTP input field with the digits 1, 2, 6, 1, 3, and 2. Below the input field is a "Verify" button. The background form shows fields for Mobile Number (9015798727), District, Roles (I am a Healthcare Professional, I am a Facility Manager/Administrator, I am a Healthcare Professional & Facility Manager), Healthcare Professional ID/Username (@hpr.abdm), Password, and Confirm Password. A "Verify" button is also visible on the form.

Step 9: District and Sub-district are fetched from the information provided. If in case is not available enter the details manually.

The screenshot shows the National Health Authority registration form. The "District" field is set to "Shahdara" and the "Sub District" field is set to "Shahdara". The "Roles" section has three radio buttons: "I am a Healthcare Professional", "I am a Facility Manager/Administrator", and "I am a Healthcare Professional & Facility Manager". The "Healthcare Professional ID/Username" field is set to "@hpr.abdm". The "Password" and "Confirm Password" fields are empty. The "Mobile Number" field is set to "9818557307" and the "Email" field is set to "abs@gmail.com". The "Date of Birth" field is set to "17-12-1986". A "Verify" button is visible next to the email field.

Step 10: Select the role- 'I am a Healthcare Professional' from the following options-

- I am a Healthcare professional: This option is for Doctor/ Nurse who are only professional and not a facility Manager
- I am a Facility Manager/ Administration: This option is for Facility Manager who are not Healthcare professional

- I am Healthcare Professional and Facility Manager: Professionals who are Doctor/Nurses and facility manager

Enter the details of the **category** and **sub-category**.

Enter the **Healthcare Professional ID/username**. The user can also select the **username** from the suggestion provided below the option.

Enter the **Password** and **Confirm** the password and click on 'Submit' button.

Password having policy like-Should be 8 characters, 1 character should be Capital, 1 should be small, 1 special symbol and 1 numeric digit.

Step 11: There are 4 steps to register the HPR profile:

- I. [Personal Details](#)
- II. [Qualifications and Registration Details](#)
- III. [Work Details](#)
- IV. [Preview Profile](#)

The screenshot shows the NHA portal interface. At the top, there are logos for the National Health Authority and the Ministry of Health. The user is logged in as 'Kunal'. The navigation bar includes 'Home', 'About ABDM', 'Resource Center', 'Support', and a search bar. The main content area displays the registration steps: 1. Personal Details, 2. Qualifications & Registration Details, 3. Work Details, and 4. Preview Profile. The 'Personal Details' step is highlighted with a green dashed box. Below the steps, the 'Personal Details' form is shown with fields for Title (Dr.), Full Name (Kunal), Nationality (Indian), and Language Spoken (multiple selection). A note states: 'Note: Multiple language can be selected'.

I. [Personal Details-](#)

The details like name, address, etc. are fetched automatically.

Step 12: Enter the languages spoken. The user can select multiple languages.

The screenshot shows the NHA portal interface. The user is logged in as 'Kunal'. The navigation bar includes 'About ABDM', 'Resource Center', 'Support', and a search bar. The main content area displays the 'Personal Details' form. The 'Language Spoken' field is highlighted with a green dashed box, showing a dropdown menu with options: English, Hindi, Dogri, and Kashmiri. A note states: 'Note: Multiple language can be selected'.

Step 13: If the communication address is different from the KYC, then uncheck box and enter the details of communication address and click on 'Save & Next' button to proceed further to the next section.

The screenshot displays the 'Communication Address' form within the ABDM system. The form is titled 'Communication Address' and includes a checkbox 'Is your communication address same as above?'. Below this are fields for Pincode*, Country*, State/Union Territory*, District*, Sub District, and City/Town/Village. There is also a text field for 'Address'. At the bottom, there are two buttons: 'Save Draft' and 'Save & Next'. The 'Save & Next' button is highlighted with a green dashed border. The top navigation bar shows 'Home', 'About ABDM', 'Resource Center', and 'Support'. The user's profile information is visible at the top: 'C/O D/O: Mool Chand D-6/401/1 SECTOR 6, ROHINI Avantika Narela, SHAHDARA - DELHI - 110085' and 'Aadhaar verified'.

II. Qualifications and Registration Details-

Step 14: In the registration details; the user will enter the registration number, date and council of registration.

After entering the registration details, the user will attach the registration certificate document. The user can also upload the documents from Digi Locker, as there is an option available at the right side 'Pull from Digi Locker'.

Edit Form

2. Change Password

This sub-section allows the user to **change his/her profile password**. The user can change the password via **three options**- old password, Aadhaar OTP and mobile OTP.

The screenshot shows the 'Change password via Old Password' form. At the top, there are three tabs: 'Password', 'Aadhaar OTP', and 'Mobile OTP'. The 'Password' tab is selected, and a hand icon is pointing to it. Below the tabs, there are three input fields: 'Old Password*', 'New Password*', and 'Confirm Password*'. Each field has a toggle icon to the right. At the bottom, there is a 'Submit' button. The form is part of a larger interface with a sidebar on the left and a top navigation bar.

3. Re-KYC

This option allows the user to do re-KYC. The user will click on the 'Re-KYC' button and the following screen will appear.

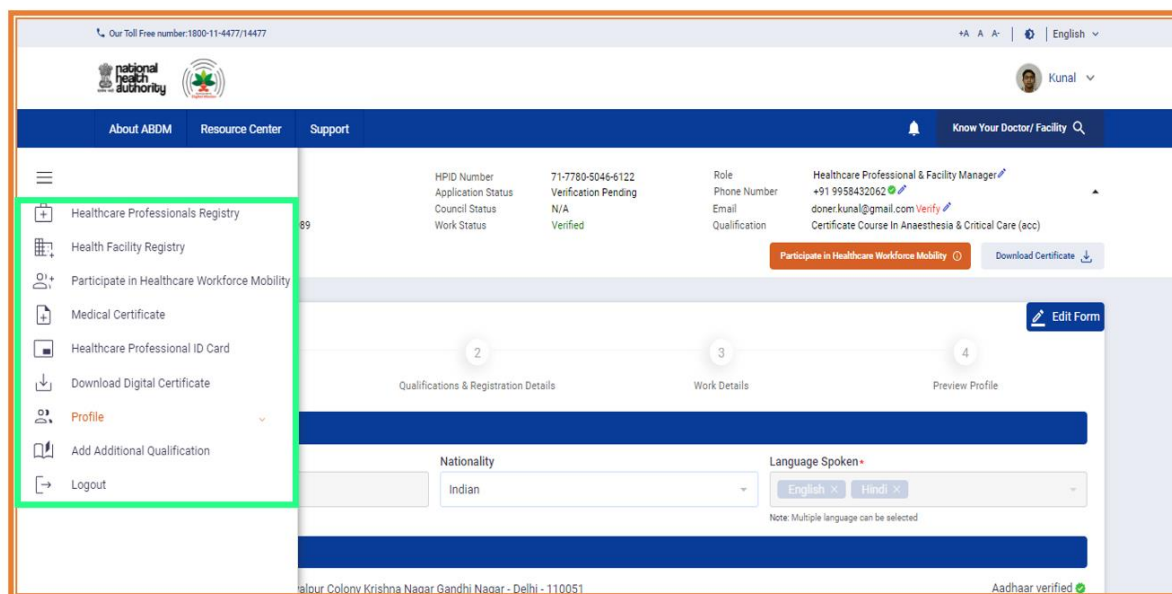

An **OTP** will be sent to the **Aadhaar linked mobile number** of the user and the user will have to submit the 6-digit OTP to proceed further.

The screenshot shows the 'Re-KYC' form. At the top, there is a user profile section for 'Anurag' with details: anurag1992@hpr.abdm, Gender: Male, Date of Birth: 4/12/1992. Below this, there is a table with user details: HPID Number (71-6*****-6756), Application Status (Query), Council Status (Non Verified), Work Status (N/A), Role (Healthcare Professional & Facility Manager), Phone Number (+91 9015798727), Email (abdm.pc14@nha.gov.in), and Qualification (Bds - Bachelor Of Dental Surgery). Below the table, there is a 'Re-KYC' section with a message: 'We have sent an OTP to the Aadhaar linked mobile number *****8727'. There are six input boxes for the OTP, and a 'Submit' button at the bottom. A green dashed box highlights the OTP input area. A green message at the bottom of the OTP area says 'Didn't receive OTP? Resend OTP 59 seconds remaining'.

3. Tabs in the left section

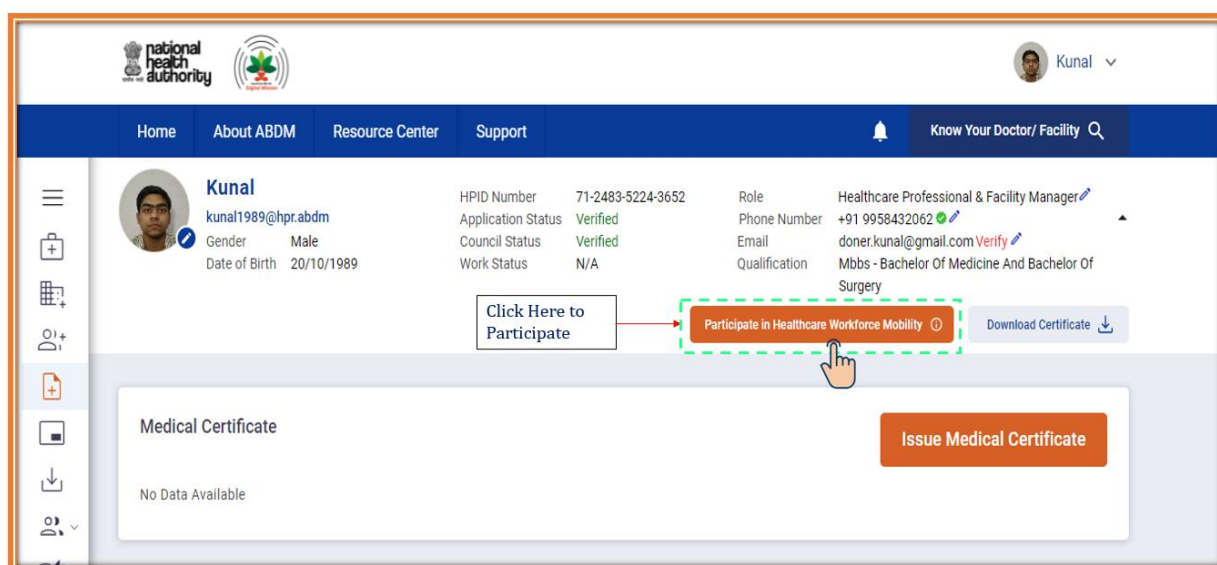

A) Healthcare Professional Registry

Once the **Healthcare Professional application** of the user is verified by the Council/State, the left menu will get added with a few functionalities like Participate in Healthcare Workforce Mobility, Medical Certificate, Download Digital Certificate and Additional Qualification buttons are visible on the left menu.

1.1 Participate in Health Workforce Mobility

This option would be available to the user only after the verification would get completed by the Council/Work verifier. The professionals can also participate in the healthcare workforce mobility by **creating their profile** through this section.

In the 'Update Healthcare Workforce Mobility Profile', the user will fill the details of preferred countries he would like to fill along with the qualification details.

Update and Submit

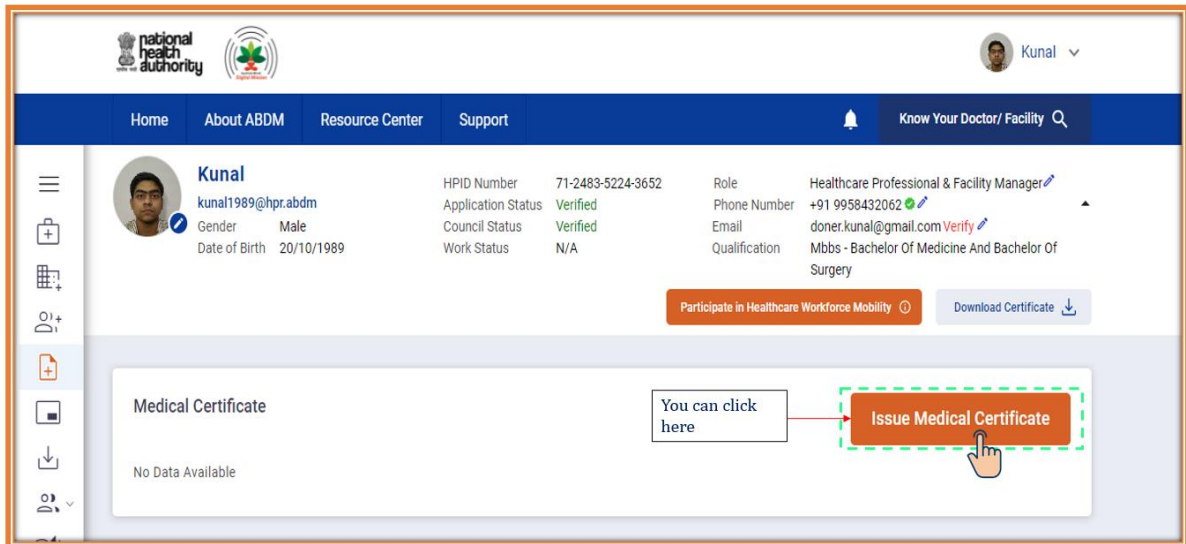

After filling all the details, the user would give consent to proceed further and click on 'Update and Submit' option.

The user profile will get created for healthcare workforce mobility.

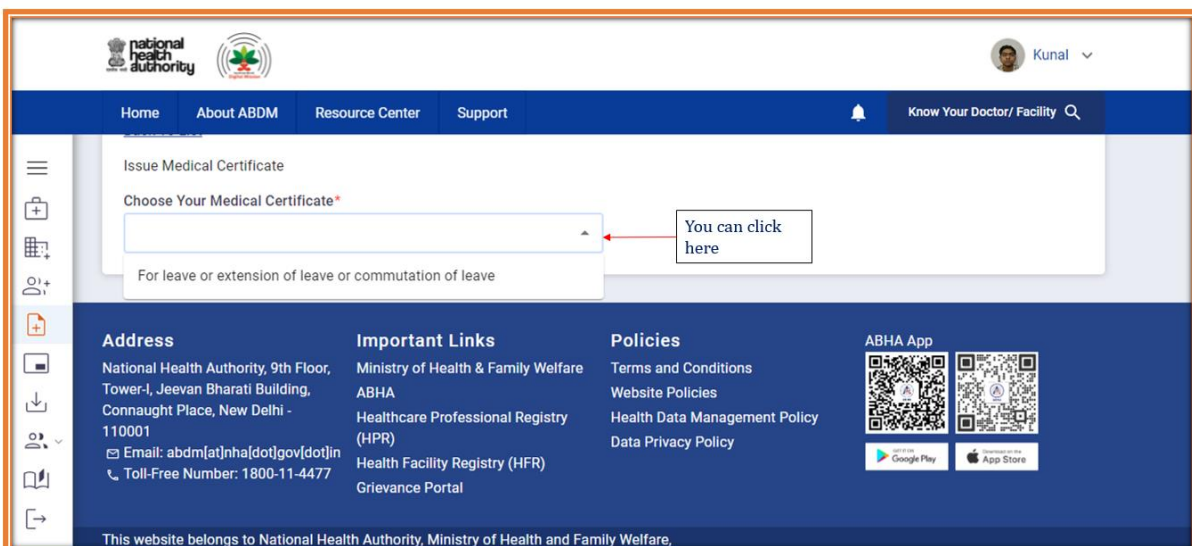

1.2 Medical Certificate

This option would be available to the user only after the verification would get completed by the Council/Work verifier. Currently, only modern medicine doctors can issue the certificate.

The user will click on 'Issue Medical Certificate' button.

The user will select the medical certificate from the dropdown options.

Then the user would **enter the details of the patient** including the name, disease, days off required by the patient, along with the email ID. And click on 'Preview' button.

The screenshot shows the 'Issue Medical Certificate' page. At the top, there are logos for the National Health Authority and the Ministry of Health & Family Welfare. The user 'Kunal' is logged in. The navigation bar includes 'Home', 'About ABDM', 'Resource Center', 'Support', and a search bar. The main content area is titled 'Issue Medical Certificate' and contains a dropdown menu 'Choose Your Medical Certificate*' with the selected option 'For leave or extension of leave or commutation of leave'. Below this is a blue bar with the same text. The form fields are: 'Patient Name*' (XYZ), 'Suffering From*' (Fever), 'Duty Off(days)*' (2), 'Effect From*' (21/03/2024), and 'Patient's Email Id'. A red 'Preview' button is highlighted with a green dashed border.

The user can re-check the content of the medical certificate and click on 'Generate & E- sign' button at the left bottom of the screen.

The screenshot shows the 'Generate & E-Sign' page. The user 'Kunal' is logged in. The navigation bar is the same. The main content area displays a preview of the medical certificate form titled 'FORM4 MEDICAL CERTIFICATE FOR LEAVE OR EXTENSION COMMUTATION OF LEAVE'. The form contains the following text: 'Signature of the Govt. servant ...XYZ...', 'I, Dr. ...Kunal... after careful personal examination of the case, hereby certify that Sh. /Smt. /Km. ...XYZ... whose signature is given above, is suffering from ...Fever... and I consider that a period of absence from duty of ...2... days with effect from ...21 Mar 2024... is absolutely necessary for the restoration of his/her health.' A red 'Generate & E-Sign' button is highlighted with a green dashed border.

A new portal will appear; the user will enter his/her Aadhaar number and click on 'Get OTP' option.

3.3 Healthcare Professional ID Card

This section gives the option to see the ID card of the professional where he/she can check if the details are correctly mentioned or not. This option

would be available to the user only after the verification would get completed by the Council/Work verifier.

The user would Click on the left menu to view the HPR-ID card. To download the card, the user would then click on the 'Download HPID Card' from the right upper corner.

3.4 Download Digital Certificate

The user can download Digital Certificate by clicking on the 'Download Digital Certificate' on the left menu.

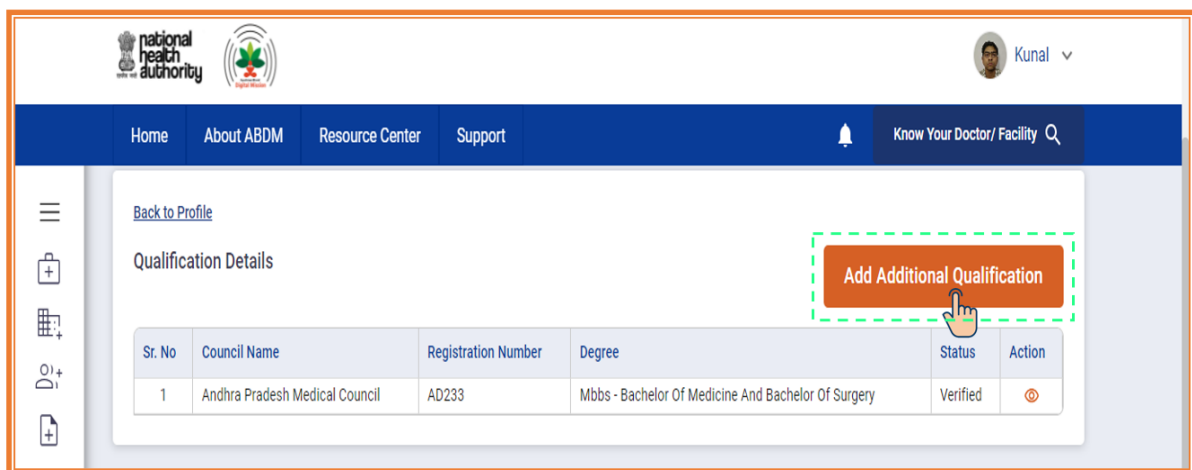

Currently, only doctors of all the system of medicines (Modern Medicine, Dentistry, Ayurveda, Siddha, Sowa-Rigpa, Homoeopathy, Unani) can download the certificate.

3.5 Add Additional Qualifications

In this section, the user can **add and update the additional education qualifications**, if required.

For this, the user will click on the '**Add Additional Qualification**' button on the top right corner of the screen.

The user will fill the additional qualification details like **name of the council**, **registration number** and date of registration.

The user will also **upload the Registration certificate** document.

Register with Council*
Delhi Medical Council

Registration Number*
9999999999

Date of Registration*
01/17/2023

Is the registration permanent or renewable?*
☒ Permanent ☐ Renewable

Registration certificate attachment*
Maximum size allowed for the attachment is 5MB. PNG/JPEG/JPG/PDF file types are supported.
[Pull from DigiLocker](#)

Is your name in the registration certificate the same as your name in Aadhaar?*

☒ Yes ☐ No

Country of Qualification*
☒ India ☐ Any Other

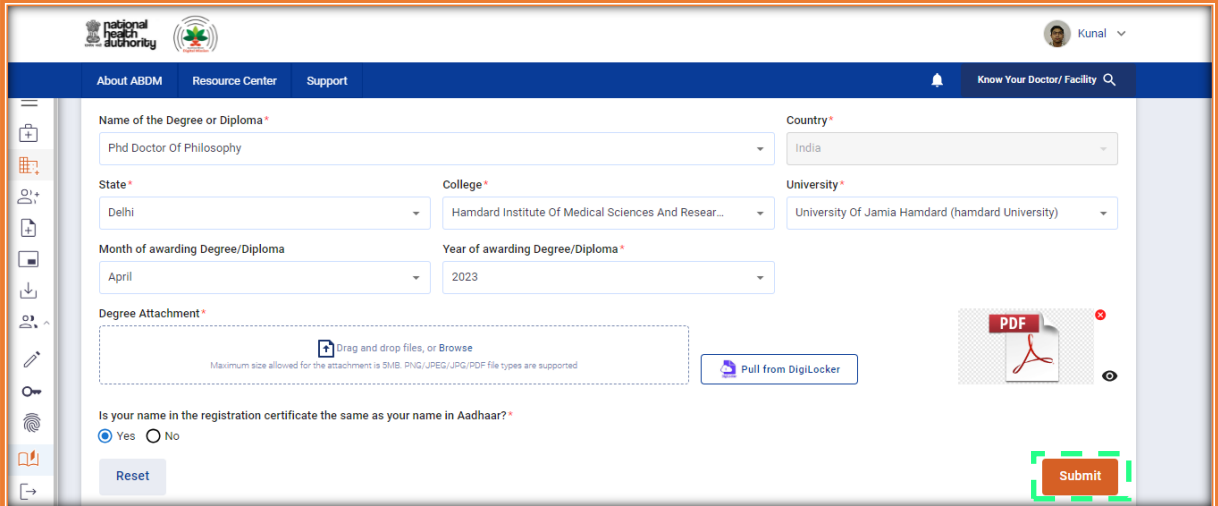

Name of the Degree or Diploma*
Phd Doctor Of Philosophy

Country*
India

After that, the user will add the **name of the degree/diploma** and the place from where the qualification has been pursued.

Later, the user will **attach the document/certification** of the qualification pursued.

After entering all the required details, the user will click on '**Submit**' button.

The screenshot shows a web form for registering a degree or diploma. The form is titled 'Name of the Degree or Diploma' and includes several dropdown menus for selection. The 'Country' dropdown is set to 'India'. The 'State' dropdown is set to 'Delhi'. The 'College' dropdown is set to 'Hamdard Institute Of Medical Sciences And Resear...'. The 'University' dropdown is set to 'University Of Jamia Hamdard (hamdard University)'. The 'Month of awarding Degree/Diploma' dropdown is set to 'April'. The 'Year of awarding Degree/Diploma' dropdown is set to '2023'. There is a section for 'Degree Attachment' with a drag-and-drop area and a 'Pull from DigiLocker' button. A checkbox asks if the name in the registration certificate is the same as the name in the Aadhaar, with 'Yes' selected. A 'Reset' button is at the bottom left, and a 'Submit' button is at the bottom right, highlighted with a green dashed border.
